ENERGYOCEAN

INTERNATIONAL

8TH ANNUAL

June 14- 16, 2011 | Portland, Maine
Holiday Inn By the Bay Hotel & Convention Center

50+ Exhibiting Companies | 450+ Attendees
3 Days of Conference Content | One Event!

The 8th Annual EnergyOcean International Conference & Exhibition will unite hundreds of highly qualified and motivated buyers with exhibiting companies from around the world. Don't miss this opportunity to demonstrate your products, services and new technologies in a highly interactive environment. Elevate your company profile while networking with key leaders in this emerging market. You will experience a direct return on your investment, walking away with qualified leads.

EnergyOcean International Will Unite:

- ▶ Developers
- ▶ Utility Companies
- ▶ Investors
- ▶ Researchers
- ▶ Component and System Manufacturers
- ▶ Government Officials
- ▶ Policy Makers
- ▶ Academic & Educational Organizations

EnergyOcean International returns to the state of Maine

"Maine is becoming a leader in renewable energy. We have a competitive advantage with our great potential for tidal, wave, and off-shore wind energy and I am excited about sharing our developments with the world once again in 2011."

GOVERNOR OF MAINE • JOHN E. BALDACC

EXHIBITING & SPONSORSHIP OPPORTUNITIES:

ENERGYOCEAN

INTERNATIONAL

8TH ANNUAL

June 14- 16, 2011
Portland, Maine
Holiday Inn By the Bay Hotel
& Convention Center

Uniting All Segments of the Offshore Renewables Industry

EnergyOcean International Events Include:

Conference Technical Program

Filled with world class content from key leaders in every sector of the Ocean Renewables Market, EnergyOcean International's Technical Program will be the premier educational platform for industry professionals in the U.S.

Technology Exhibition

EnergyOcean International will unite purchasing decision makers with the industry's top product and service providers. View the latest technologies fueling the Ocean Renewables Market from more than 50 exhibiting companies

Networking Opportunities

EnergyOcean International's highly interactive format will deliver unprecedented networking opportunities between key industry leaders, executive-level attendees and industry leading companies.

Why Should You Exhibit?

- ▶ This is the **LARGEST** ocean energy event in the United States
- ▶ The event will **COVER ALL DISCIPLINES** of offshore renewable power: Wind, Wave, Current, Tidal, Thermal, Solar and Hybrids
- ▶ Network with **HUNDREDS** of industry professionals representing the entire buying cycle, from specifiers and recommenders to final decision-makers
- ▶ Provide hands-on demonstrations of your products and services directly for **YOUR TARGET MARKET**
- ▶ Elevate your companies' **BRAND AWARENESS** in this emerging market
- ▶ Walk away with multiple qualified sales leads - **DIRECT ROI**

“

"This Conference provided us with the perfect opportunity to not only network, but also showcase our technology. We made a lasting impression on those who visited our exhibit booth and started developing key relationships with top-level leaders in Government and State regulatory agencies such as; FERC, MMS and DOE. The return on our investment was realized in the first day of the event!"

TERENCE L. BOLDEN
CEO
CLEAN AND GREEN ENTERPRISES, INC.

%

99.9%

*of EnergyOcean delegates intend to do business with exhibitors.**

* Reported from EnergyOcean 2009 survey.

“

"...every single person I spoke to was interested in our programs and had something to offer the industry. We look forward to attending the event in Portland, ME next year."
