

Lecture Featuring Astronaut Shannon Walker

Tues., Nov. 8, 3–3:50 p.m., SEC 100 (Bldg. 529)

**Learn about Living and
Working in Space and
Science on the
International Space
Station**

Cougar Card Event (3 cards)

Walker will discuss her 5-month stay on the Space Station, covering the mission and research, and will present NSM with a poster flown in space commemorating her mission and paying tribute to her father, NSM's founding Dean.
