

PLANNED OUTAGE NOTIFICATION

After completing this form, please send to faccomm@central.uh.edu for processing.

Informational Messages

OUTAGE PURPOSE: DivisionOne and BMF would like to shut down the sprinkler system for building 581 (Engineering 2) in order to install the floor control valves and 3" test drain riser in stairwells W170 & E172.

IMPACT MESSAGE: BMF will need to shut down and drain the entire system daily in order to perform their work. The system will be refilled and put back in service at the end of each day by 5:30. DivisionOne will provide a fire watch during the time the system will be down. The users have approved.
