

# Funding Opportunities at the National Science Foundation

**Presented by Raj Mutharasan, Ph.D.**

Program Director, NanoBioSensing  
National Science Foundation

Dr. Mutharasan will provide an overview of the National Science Foundation (NSF), funding opportunities within the organization (with a special focus on engineering) and proposal evaluation methods. He will also discuss core disciplinary programs, the NSF CAREER Award program and other special initiatives.

Come prepared for a good interactive session and bring your questions!

**Monday, March 21**

**1:30 p.m.-2:30 p.m.**

Classroom and Business Building (CBB), Room 110
