

Research Mentor Training Workshop for Faculty

Wednesday, December 7, 10:00 – 3:00
BioScience Research Collaborative
6500 Main St., Houston

This research mentor training workshop is designed specifically for faculty to develop insight in mentoring young scientists and to provide an opportunity for conversation and interactions between mentors at different institutions and in different disciplines.

Topics will include

- Aligning Expectations
- Discussion of Mentoring Compacts
- Maintaining Effective Communication
- Fostering Independence
- Promoting Professional Development

Co-facilitators:

- Alison Bertuch, MD, PhD, Associate Professor, Pediatrics-Oncology, Baylor College of Medicine
- Carrie Cameron, PhD, Assistant Professor, Epidemiology, MD Anderson
- Victoria McDonnell, PhD, Project Director, Faculty & Academic Development, MD Anderson
- Bob Tillman, PhD, Associate Director, Faculty & Academic Development, MD Anderson

Spaces are limited.

To reserve a space, email dawnkoob@rice.edu by November 18
