

## PLANNED OUTAGE NOTIFICATION

After completing this form, please send to [faccomm@central.uh.edu](mailto:faccomm@central.uh.edu) for processing.

### Informational Messages

**OUTAGE PURPOSE:** Remove check valve in tunnel airline.

**IMPACT MESSAGE:** This will cause the effected buildings to be without any compressed air for controls and labs, unless the lab has its own compressor. SR2 has its own air compressor that needs to remain running during this time. If there are issues on the timing, Jeremy McDonald should be notified immediately due to a game that afternoon. The users have approved.
