Informational Messages

OUTAGE PURPOSE: To remove the existing normal power feed from the existing transformer to the “old” fire pump controller in order to decommission and remove from site. The emergency power for this pump back to the bus bar will also be removed at this time.

IMPACT MESSAGE: UH Facilities Electric crew will transfer power to the unaffected side using the tie breaker. The emergency power will be unavailable during this duration as well while the old feeds are being removed from the ATS. There will be a momentary loss of all power during the transfer. The users have approved.
