Informational Messages

OUTAGE PURPOSE: UH Electric Shop needs to perform a complete electrical outage for campus utility sub-feeders 1 & 2. This work is necessary to replace failed cable terminations in a manhole in Parking Lot 13A.

IMPACT MESSAGE: Building electricity will be completely out for the duration of the outage with the exception of building equipment and life safety systems that are on emergency generators. Facilities Services technicians shall verify that all main buildings systems are operational. Interdepartmental equipment should be verified as operational by users once repairs are completed.

In addition, 20 parking spaces will be barricaded in Lot 13A around the manhole location for contractor and UH staff to perform work.
