

Faculty Development Workshop Series

**“Developing the Diverse Department We Want:
How do we cultivate it at the undergraduate,
graduate, and faculty levels?”**

Dr. Clifton Poodry
Senior Fellow
Science Education Department
Howard Hughes Medical Institute

The presentation and conversation will reflect on our values and offer strategies to fulfil our aspirations for a first rate, inclusive and diverse department at all levels from the student body to the faculty to the administrative team.

Friday, April 20, 2018

CBB 238

noon – 1:00 pm

Light refreshments will be provided. Please RSVP using the link below:
