Informational Messages

OUTAGE PURPOSE: As completion proceeds with the repair of TR1 transformer at the Cougar Substation UH Electrical and contactors will be restoring the safety control circuits to the breakers that caused the loss of power to campus on 6/10/2019.

IMPACT MESSAGE: No impact to campus is anticipated, however this procedure is highly complex and there is some unexpected unforeseen risk to possible loss of the electrical service while being performed. If this occurs the following buildings will experience a loss of entire electrical service until power can be restored. ETA of restoration would be ASAP
