

Faculty Development Workshop Series

Richard Romero & Debbie Cole
LabArchives – Research & Education

LabArchives will present two sessions on the use of Electronic Lab Notebooks (ELN):

- 1) Research Laboratories & 2) Teaching labs and design courses. Each session will provide an overview of the platform and an opportunity for hands-on use of the ELN system.

**Session 1: How can moving to a Digital Lab Notebook
to support my Research?**

Friday, October 15, 2021 **12:00 pm - 1:15 pm**

This session is designed for PIs, postdocs, lab managers, and graduate students in any discipline looking for a better way to document their research. This tool is especially useful for PIs and lab managers needing to oversee multiple lab members and provide a secure, central location for storing and sharing research data/notebooks.

Session 2: Are eLab Notebooks right for my Teaching Lab or Design Course?

Friday, October 15, 2021 **1:30 pm - 2:30 pm**

Directed at lab course instructors, lab coordinators and teaching assistants, this session will cover lab manual integration, collaboration between group members, grading & feedback.

Please use the same Zoom link for both sessions:
