Work Order# WOD14245
Project #P790854

The cable will run from room E128. It will be located on the side of the hallway. there will be cones next to the cable, to void any tripping hazard.

First hallway - location of cable

The cable will run parallel with the wall

The cable/camera will be inserted in the drain that will run under the ground to room E128.

Drain area will be protected by cones.
