Center for Underserved & Underrepresented
Student Pathways into Engineering

Carl Wunsch Sr. High School, a career academy for students in grades 9-12, opened in August 2006. The innovative campus is designed around three towers – professional, technology and medical – in which academics are integrated with career exploration and college preparation in a wireless learning environment.

**Come over to the Den on UH Campus (4835 Calhoun Rd,
Houston, TX 77004) for Happy Hour After!**
