

IN SEARCH OF THE CURIOUS

IN SEARCH OF REMARKABLE STUDENTS

APPLICATION REQUIREMENTS

- To be eligible for an Internship, you should be an actively enrolled student who will complete at least one more semester of education following your internship.
- To be eligible for Graduate full-time opportunities, you should be in your final year of study or have less than three years of work experience.
- You must have a minimum Cumulative GPA (CGPA) of 3.20.
- Candidates for regular U.S. positions must be a U.S. citizen or national, an alien admitted as permanent resident, refugee, asylee, temporary resident, or an individual who possesses valid work authorization. Individuals with temporary visas (H-1, H-2, J-1, F-1, etc.) or who require sponsorship for work authorization now or in the future are not eligible for hire.
- In some instances, we are able to sponsor Ph.D. candidates in the following disciplines: Chemical Engineering, Physics, Petroleum Engineering,

Electrical Engineering, Mechanical Engineering, Geosciences and Research & Development. In some cases, we are able to sponsor Master's level candidates in Geoscience ONLY.

RESUMES

- Our Recruiters will be happy to review your resume, but will have to return it to you. In order to apply, you must do so online at www.shell.us/students.

INTERVIEWS

- Interviews will be planned and scheduled in advance. Candidates must successfully complete online application and assessments in order to be considered for an interview.

APPLY TODAY

Shell is in search of remarkable people, from all different backgrounds and disciplines, who can apply their imagination, intelligence and determination to helping us create a more sustainable energy future.

Application Process

- You must apply online at www.shell.us/students and successfully complete our timed online assessments. This is an ongoing application process and we are **currently** accepting applications.
- Part 1 consists of a series of competency-based questions. If you successfully complete part 1, you will receive an email inviting you to complete Part 2, which assesses your decision-making and problem-solving capabilities.
- Attach your current résumé and unofficial transcript or grade history which provides printed name and CGPA. Add your unofficial transcript or grade history as an 'Additional Attachment'.

Online Assessments – Practice Tests Now Available

- Visit www.shell.us/students.
- Scroll down to the bottom of the page, and open the link "Tips to Apply Successfully" in the bottom right corner.
- Under the section "Top tips for taking the online assessment" you will be able to directly access links for Practice Test 1 and Practice Test 2.

Interview Selection Dates

- Selection for interviews will take place **as early as August and will continue through October**. In order to be selected for an interview, you must first complete and pass the online assessments.
- This is the first step in a journey that could lead to an exciting career with Shell. We look forward to receiving your application!
